Dear CHS Community,

In an effort to continue providing the safest environment for our students, faculty, staff and community, we have made some changes at Canutillo High School. Changes will be in effect from 4:00 p.m. to 4:15 p.m. on school days. The entry gates located at the faculty parking lot and south end of the school will be closed during those times to allow the school buses to safely leave the campus. Just as a reminder, it is recommended that pick up of students be made at designated points such as the flag pole or ticket booth areas only.

For the safety of all students, please refrain from picking up students on South Desert Blvd. Any students wishing to leave school before 4:15 p.m. can take the loop around the school off of Isela Rubalcalva.

This information is available on the Canutillo district and High School websites. Thank you for your cooperation and being extra vigilant regarding campus safety.

Listed below are the new initiatives taking effect and a diagram to show where the closures will occur:

- At 3:00 p.m., the lower south gates on Isela Rubalcava will be opened.
- At 3:50 p.m., the gates to the faculty parking lot will be closed by security.
- At 3:57 p.m., CHS administrators will continue to monitor the traffic by the flagpole area.
 - Security will assist the buses on entering the campus and ensure that only vehicles exit the faculty parking lot.
- At 4:00 p.m., the south gate entrance will be closed to incoming traffic and security officers will ensure that only buses are allowed to exit.
 - Safety cones will be placed by the gym area (near dumpster) to stop traffic to allow the quick exit of the buses.
- At 4:07 p.m., buses will begin to leave the campus.
- At 4:15 p.m., or when buses have left the campus, all gates will be re-opened and safety cones removed.

CANUTILLO ISD NON DISCRIMINATION STATEMENT

*The Canutillo Independent School District does not discriminate on the basis of race, color, national origin, gender, age or disability in its employment practices, or in providing education services, activities and programs, including technical education programs.
